

Thieves® Household Cleaner

The improved Thieves® Household Cleaner has increased cleansing power and an even safer, more sustainable formulation. The new formula contains ingredients from renewable plant and mineral sources, vegetable-based surfactants compliant with the Green Seal and EPA Design for Environment (DfE) standards, and even more Thieves and lemon essential oils for extra cleaning power. Bottle is 100% recyclable.

Thieves Essential Oil Household Cleaner contains essential oils that combat bacteria, germs, infection and molds. It is made from the Thieves oil blend that everyone loves so much!

Why use Thieves Essential Oil Household Cleaner to do all your Household Cleaning?

Thieves Cleaner is:

- Non toxic house cleaner made with natural surfactants and therapeutic grade essential oils;
- Green household product that has organic and biodegradable materials;
- Natural effective mold killer and cleaner (even toxic black mold);
- Comes in a concentrated form, so all you do is dilute for various applications;
- Anti-bacterial, anti-fungal, anti-viral, and is GOOD for your health;
- Fabulous aroma that everyone loves!

I use it to clean my house, floors, windows, bench tops, bathrooms, oven, everything possible, but there are many other uses as well. I love to use it as laundry detergent especially for the dog and horse blankets; and my towels! Care does need to be taken if on a septic system or personal filtration sewage system, as Thieves will affect the efficacy of your system.

It contains the same oils found in Thieves Essential Oil which was based on the "Four Thieves Vinegar" or "Marseilles Vinegar". This was originally made by four spice merchants who during the plague became grave robbers and *never got the plague!*

This is an easy reference guide for Thieves Essential Oil Household Cleaner. It will tell you **how** to use your product and **what** to use it for. It will also provide you with some fun tips and testimonials!

What is in Thieves Household Cleaner?

There are several natural ingredients as well as five therapeutic grade essential oils in Thieves Cleaner.

The natural ingredients include:

- Deionized Water
- Alkyl Polyglucoside
- Sodium Methyl 2-Sulfolaurate derived from coconut

- Disodium 2- Sulfolaurate
- Soy Lecithin (a natural emulsifier)

Sodium Methyl 2-Sulfolaurate and Disodium 2-Sulfolaurate are natural plant based surfactants that **do not raise any health concerns**. There are no restrictions and/or warnings about these compounds, so they are safe for us to use.

The essential oils that are in the spray are listed below along with a brief description of the oil:

- **Clove Essential Oil** (*Syzygium aromaticum*) has antiseptic, antiviral, anti-infectious and antifungal properties. It is COX inhibitor (anti-inflammatory) and has one of the highest ORAC values of any plant in the world!
- **Lemon Essential Oil** has antiseptic and immune stimulating properties. It is purifying and uplifting.
- **Cinnamon Bark Essential Oil** (*Cinnamomum verum*) has antiseptic, antiviral, antibacterial, anti-infectious and antifungal properties. It is COX inhibitor (anti-inflammatory) and is a strong oxygenator.
- **Eucalyptus Essential Oil** (*Eucalyptus radiata*) has anti-inflammatory, antiseptic, antiviral, antibacterial, anti-infectious and antifungal properties. Strong antiviral effect on the respiratory system.
- **Rosemary Essential Oil** (*Rosmarinus officinalis* CT cineol) has antiseptic and anti-infectious properties. Reduces mental fatigue and eases anxiety.

What are the suggested Uses for Thieves Essential Oil Household Cleaner? Antiseptic, anti-infectious, carpet, cleaning, degreasing, dishwasher detergent, floors, laundry, mold, mildew, oven, sanitizing and windows.

How do I use it?
